

## Having his say

Times photos - CHERIE DIEZ

Kenneth C. Raphael, above, makes a point during *Roadbug*, a play that combines the African American and Appalachian Mountain storytelling and music traditions. Below, Kim Neal and Ron Short act out their narrative during Sunday's performance. The play was held at the Mahaffey Theater and served as a lesson to Pinellas County students who attended a performance on Monday. The production is a collaboration of Junebug Productions of New Orleans and Roadside Theater from Whitesburg, Ky.
